

DEPARTMENT OF ANAESTHESIA IGMC SHIMLA

No: HFW (MC) ANAESTH (B)286.....

DATED18/4/2024

NOTICE INVITING QUOTATIONS

Due to insufficient number of bids quotations in sealed envelopes are again invited for the supply of under mentioned items in the Department of Anaesthesia IGMC Shimla till 3.00PM on 30.04.2024. **The correspondence should be addressed to: Professor & Head, Department of Anaesthesia, IGMC Shimla 171001. Landmark for courier services: Lakkar Bazar – Sanjouli Road.**

All bidders are requested to mention their valid email and landline/ mobile numbers. The Bidders who already have quoted the undermentioned items are not required to send quotations again.

Compliance report and Literature/ catalogues in support of the technical data etc should be enclosed with the quotations.

The interested Firms should have a valid GST Number/Account.

Rates of GST should be mentioned for each/ all the items/ individual components as applicable.

The Firms may quote Individual Item/ Group of items or all the Items.

Prices of each item will be considered separately for working out the lowest price.

The Firms may have to show the samples of all the quoted items on the day and time communicated to the respective Firms.

The valid phone numbers and e-mails should be prominently documented by the firms for correspondence. No printed letters will be sent to any firm. However if necessary, the same may be collected (on Request) from the office of the undersigned on the day of technical demonstration of the Samples.

Prices for the Items must be enclosed in a separate sealed envelope labeled as Price Bid.

The Technical data/ description/ compliance report etc should be enclosed in a separate sealed envelope marked as Technical Bid.

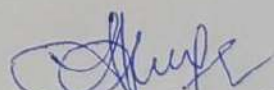

Both these envelopes should be enclosed in a bigger sealed envelope.

Taxes should be mentioned clearly.

Note:

1. The technical bids of firms whose samples are not found satisfactory or fail to show their samples will be rejected.
2. **The Prices should be quoted with validity for three years from the date of First purchase.**
3. The mentioned quantities are tentative. Actual quantity may vary with demand/ availability of funds.
